WEB DEVELOPMENT ACTIVITY BASED

Dr. RVR NRI Institute of Technology — Practical Lab Report

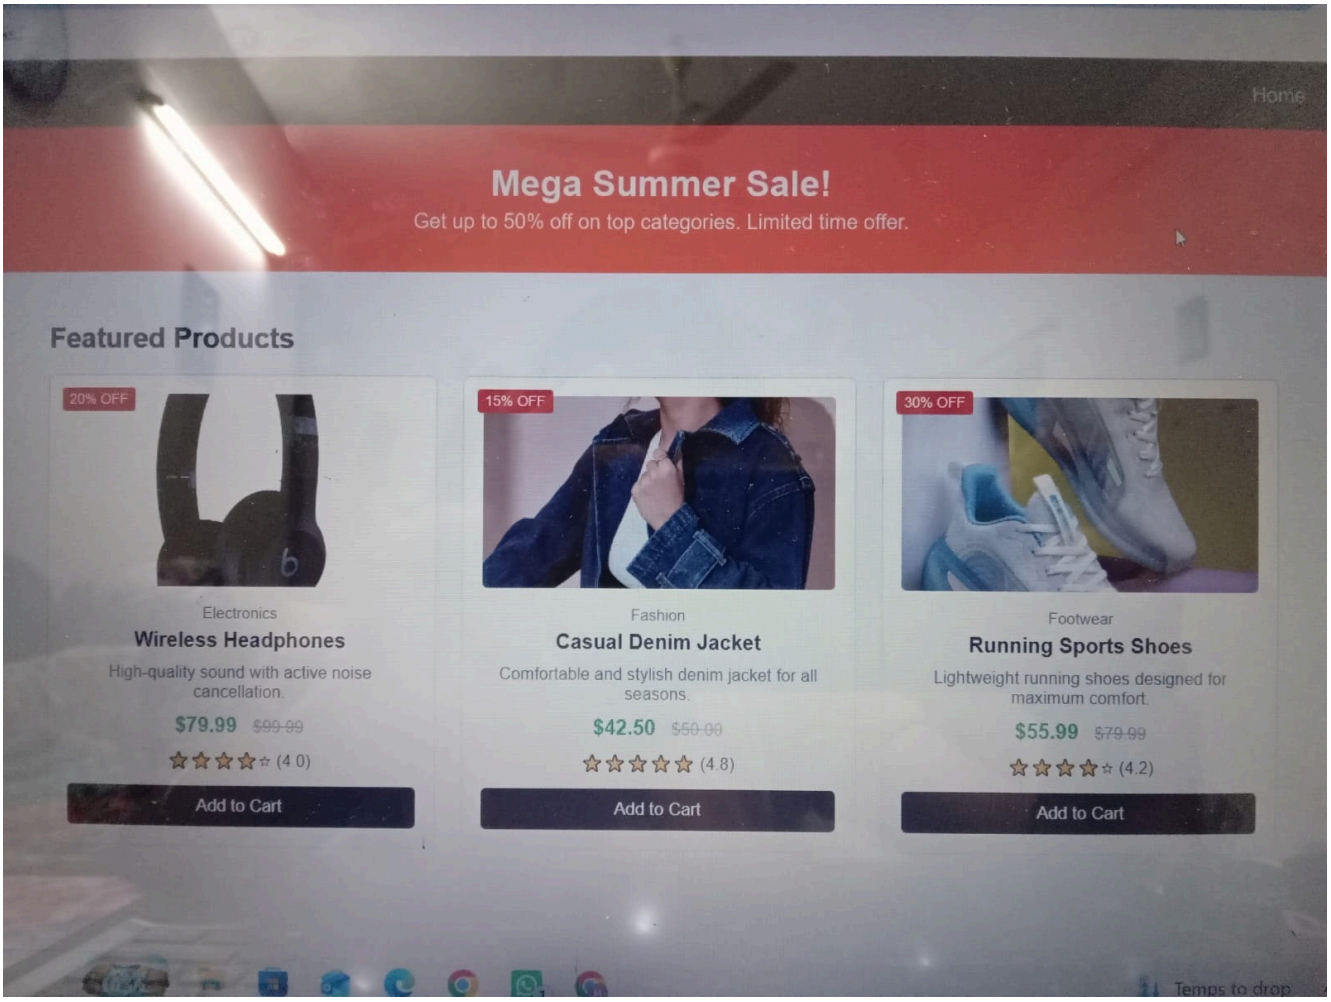

Case No: Task 6

Case Name: Online Shopping Website

Explanation:

Designed an e-commerce interface featuring a responsive navigation bar, a promotional mega-sale banner, and a structured product grid. Implemented discount badges, star rating selectors, and interactive "Add to Cart" action buttons using modern CSS Grid and Flexbox layouts.

Task 6 ? Product Grid Layout

WEB DEVELOPMENT ACTIVITY BASED

Dr. RVR NRI Institute of Technology — Practical Lab Report

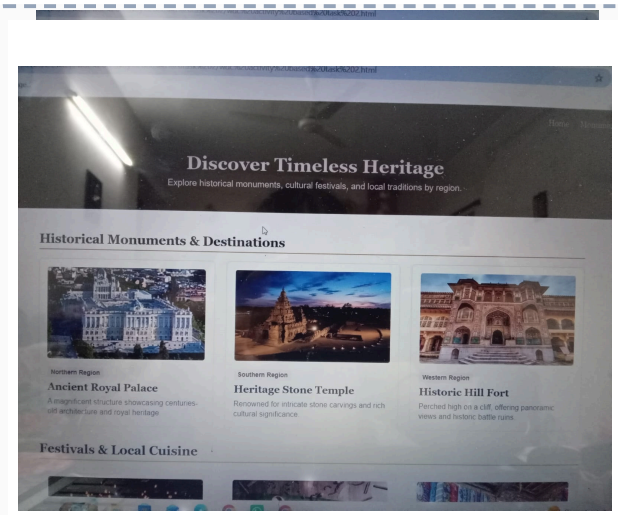

Case No: Task 17

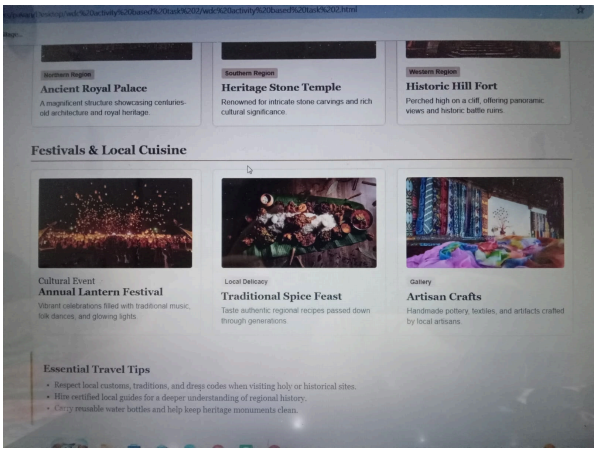

Case Name: Tourism and Heritage Information Website

Explanation:

Developed a cultural heritage tourism portal organized by destination categories and monument types. Applied classic serif typography, warm historical color schemes, structured gallery image cards, and highlighted regional travel advisory info boxes.
